HOW WE WORK TOGETHER

Our Expectations for Parents, Carers, and Visitors

Be a Positive Role Model

Demonstrate Respect: Set a good example for our pupils through your speech and conduct.

Uphold Our Values: Respect the school's caring ethos and the school building itself.

Support the Community: Ensure your child's behaviour is acceptable in all public places and the wider community.

Foster a Partnership

Collaborate: Recognise that the best outcomes for students happen when teachers and parents work together.

Support the School: Participate fully in school life and maintain a positive working relationship with staff.

Promote Wellbeing: Understand that your positive attitude helps equip children with the skills they need for adulthood.

Communicate Effectively

Seek Clarification: If an incident occurs, speak with staff to understand the school's view and your child's version of events.

Stay Professional: Approach concerns through the correct channels to ensure they can be dealt with effectively.

Resolve Calmly: Aim to resolve situations through constructive discussion; however, understand that schools follow policy and outcomes may differ from your view.

The HCAT Standard

All members of our staff have the right to work without fear of violence or abuse.

We thank you for helping us maintain this standard.
