Autumn Term 1

Feedback Friday
This month's feedback Friday question is: ***How could we have supported the return to school more this year?*** Please click the link included in the email to answer this months question.

Afterschool Clubs
We are pleased to let you know that our teacher-run after-school clubs are now available to book via the Arbor app. Clubs will begin next week, from Monday 21st September, and will run for four weeks until the week commencing 12th October. They will then resume after the half-term break from 2nd November for a further four weeks, until the week commencing 23rd November. Please book your child's place via the Arbor app. Spaces are limited, so we encourage you to book early to avoid disappointment.

School Crossing
Please be advised there will be no school crossing patrol from Monday 28th September until further notice. Please ensure you are using the crossing and take extra care during this time. Thank you for your co-operation.

Allergies/Food
We would like to remind all families that our school is a nut-free environment. All snacks and packed lunches brought into school must be completely free from nuts. We continue to find food containing nuts being brought into school, which puts pupils and staff with severe nut allergies at serious risk. Please carefully check all ingredients and do not send products containing nuts, peanut butter, nut-based chocolate spreads, cereal bars with nuts, or items labelled as containing nuts.
We would also like to remind families that birthday treats must be individually packaged and have a full list of ingredients clearly displayed. Unfortunately, treats that do not meet these requirements cannot be given out in school and will need to be taken home.
Thank you for your support in helping us keep our school community safe and ensuring that celebrations are safe and inclusive for everyone.
