SUMMER LANE PRIMARY SCHOOL

Introduction

HC AT

At Summer Lane Primary School, our Personal Development Offer lies at the heart of our commitment to nurturing kind, confident and curious learners who **achieve, inspire** and **thrive** in school and in the wider world.

We recognise that education extends far beyond academic achievement. It is about shaping character, fostering resilience, and empowering pupils with the knowledge, skills and values they need to lead safe, healthy and fulfilling lives.

Our Personal Development Offer provides a rich range of experiences across five key areas, ensuring every child has the opportunity to develop their talents, explore new interests and make a positive difference within our school and local community.

Through this offer, we aim to create an inclusive environment where every child feels respected, valued and listened to, and is prepared to become a successful, responsible citizen in an ever-changing world.

SUMMER LANE PRIMARY SCHOOL

HC AT

Our Pupil Promise

As part of our school community, I will try my best to...

1

BE ACTIVE AND HEALTHY

Look after myself, try new activities and make healthy choices.

2

BE KIND AND MAKE A POSITIVE DIFFERENCE

Show respect, work as a team and play my part in school and in the wider community.

3

EXPLORE, BE CREATIVE AND SHARE MY TALENTS

Take part in arts, culture and new experiences and be proud of what I can do.

4

EXPLORE OUR WORLD AND CARE FOR IT

Spend time outdoors, be curious, and help to look after our environment.

5

BELIEVE IN MYSELF AND PREPARE FOR MY FUTURE

Be resilient, set goals, and develop the skills, knowledge and confidence to achieve my dreams.

Together we **Achieve**, **Inspire** and **Thrive** in school and in the wider world.

SUMMER LANE PRIMARY SCHOOL

SUMMER LANE
HOW WE MEET FUNDAMENTAL BRITISH VALUES

At Summer Lane, our values guide everything we do.

We prepare our children to be respectful, responsible and active members of modern Britain.

DEMOCRACY

We give children a voice and listen to their opinions, valuing their contributions to school life.

- School Council and class representatives
- Pupil voice surveys and feedback
- Voting and debate in lessons
- Learning about democracy and elections

THE RULE OF LAW

We help children understand the importance of rules, laws and responsibilities.

- Our school rules and values
- Learning about laws that keep us safe
- Visits from police and other community services
- Understanding rights and responsibilities

INDIVIDUAL LIBERTY

We encourage children to make choices, take risks and know their rights.

- Making choices in lessons and activities
- Promoting independence and self-confidence
- Supporting mental health and wellbeing
- Understanding their rights and freedoms

MUTUAL RESPECT

We value and celebrate differences and treat everyone with kindness.

- Celebrating different cultures and traditions
- Anti-bullying and kindness initiatives
- Inclusive curriculum and resources
- Respecting others' beliefs and opinions

TOLERANCE

We promote understanding and respect for different faiths, beliefs and ways of life.

- Learning about a range of religions, faiths and worldviews
- Challenging stereotypes and prejudice
- Promoting open-mindedness and empathy
- Creating a safe space for everyone

RESPECT

We show respect for ourselves, others and our community and environment.

- Respecting all staff, pupils and visitors
- Looking after our school and local community
- Using kind words and actions
- Celebrating achievements of others

We learn about our rights and responsibilities.

We celebrate what makes Britain great.

Pride, High Expectations and Attitude

Character Education

Summer Lane Primary School

Character Education is a fundamental part of life at Summer Lane Primary School.

Through our curriculum, assemblies, routines and wider opportunities, we help children develop the habits, values and attitudes they need to succeed in school and beyond.

Our character education offer is built around three simple expectations: Be Ready, Be Respectful and Be Safe. These expectations underpin learning, behaviour and relationships across the school.

Children are taught to arrive prepared, show kindness and consideration, and make safe choices for themselves and others.

This consistent approach helps every child to grow in confidence, responsibility and independence.

BE READY

We promote readiness through:

- Arriving on time and prepared for learning
- Listening carefully and following instructions
- Showing focus, effort and resilience in lessons
- Completing learning and homework to the best of our ability

We come ready to learn and do our best.

BE RESPECTFUL

We promote respect through:

- Using kind words, manners and positive relationships
- Listening to others and valuing different opinions
- Working cooperatively and including everyone
- Looking after our school, resources and environment

We are kind, considerate and inclusive.

BE SAFE

We promote safety through:

- Moving calmly and sensibly around school
- Following classroom and playground expectations
- Making safe choices online and speaking up about worries
- Looking after ourselves and others

We make safe choices and care for everyone.

Be Ready • Be Respectful • Be Safe

Be Prepared ★ Be Confident ★ Make a Positive Difference

HCAT

Our wider life and future skills clubs give pupils opportunities to develop the knowledge, skills and confidence they need for the future. They encourage curiosity, creativity, independence and problem-solving, helping pupils to be prepared for the next stage of their learning journey and beyond.

Rationale

These clubs give pupils opportunities to develop important life skills for the future. They foster creativity, problem-solving, digital skills and independence, helping children to be aspirational and prepared for the next stage of their learning journey and beyond. Through practical, hands-on experiences, pupils build confidence, resilience, and the ability to make positive choices that will support them in an ever-changing world.

Coding Club

Coding Club introduces pupils to the exciting world of computing and technology. Pupils develop digital skills, creativity and problem-solving through engaging projects and activities, helping them to become confident, responsible and safe users of technology.

Key Skills and Benefits

PD & RSHE Curriculum

Summer Lane Primary School

Personal Development & Relationships (Sex) and Health Education Curriculum

Summer Lane Primary School Curriculum

At **Summer Lane Primary School,** our Personal Development offer is underpinned by a carefully sequenced PD & RSHE curriculum, which forms a central part of pupils' holistic development. This curriculum provides structured, progressive opportunities for pupils to develop the knowledge, skills and understanding needed to lead safe, healthy and fulfilling lives.

The PD & RSHE curriculum is built around three core themes— **Health and Wellbeing, Relationships, and Living in the Wider World**—which are revisited and developed throughout each year group. This spiral approach ensures that learning is age-appropriate, responsive to pupils' needs and prior experiences, and increasingly deepened over time.

Through this curriculum, pupils are supported to develop self-awareness, manage their emotions, build positive relationships and understand their role within society. They learn how to make informed decisions, assess and manage risk, and develop resilience and confidence. In addition, the curriculum prepares pupils for the physical and emotional changes they experience as they grow, while equipping them with the skills required to navigate an increasingly complex and interconnected world.

This learning is further enriched through our wider Personal Development offer, including trips, workshops, pupil leadership opportunities and enrichment activities. Together, these experiences ensure that pupils not only acquire knowledge, but also apply it meaningfully in real-life contexts.

By embedding the PD & RSHE curriculum within a broader programme of enrichment and personal development, we ensure that all pupils are well-prepared for the opportunities, responsibilities and challenges of life in medern Britain, leaving primary school as confident, respectful and responsible individuals.

SUMMER LANE PRIMARY SCHOOL

Aspiration

Dream • Believe • Achieve

High aspirations lead to bright futures.

We inspire every child to aim high and believe in what they can achieve.

Aspire Assemblies

- Led by staff and guest speakers
- Community and external agencies
- Inspiring stories and real-life careers

At **Summer Lane Primary School**, we believe every child should have the opportunity to dream big and reach their full potential. Our PD curriculum and enrichment opportunities are designed to open doors, broaden horizons and help children discover their passions, talents and future possibilities.

Through a wide range of experiences, trips, visitors and hands-on learning, we give children the chance to explore different careers, roles and pathways in **five key areas**:

- **Civic Engagement**
- **Arts and Culture**
- **Nature, Outdoors and Adventure**
- **Sport and Physical Activities**
- **Developing Wider Life Skills**

These experiences help our children build **confidence**, develop new **skills**, meet **inspiring people** and understand the many ways they can make a **positive difference** in the world.

Our **Aspire Assemblies** are at the heart of this work. Led by different members of staff and a range of outside agencies, these assemblies introduce children to real-life role models, exciting careers and inspiring stories. They help pupils to see what is possible, encourage ambition and show that with hard work, determination and support, dreams can become reality.

We nurture curious minds, confident individuals and ambitious learners.
